## **FLVS Earth Space Science Collaboration Project**

I just started taking Earth Space Science and so far it isn't too bad. Im only in module 1 but so far I think its easy. I was planning on taking marine science too but my friend took both and told me Earth Space was easier and less demanding. So i guess im just gonna go through with itt. And if your planning on taking any other FLVS classes I ...

Earth Space Science is a year long course. If you go on every day for 5 hours, you can finish it pretty quickly but with that being said, not quicker than a one semester course. I have not taken it before but it is very easy from what I hear. Colleges don't really consider an easy class like Earth Science so you might not want to waste your ...
