Regionalization and Regionalism in East Asia

In East Asia, the framework of regionalization and regionalism is most salient in the economic realm. In the security domain, the remnants of the Cold War framework still exist, albeit in attenuated form, influencing state security thinking and

### Regionalization and Regionalism in East Asia

In East Asia, defined here as the area from Northeast through Southeast Asia, there has been a shift in recent years from market-led to institution-led mechanisms of regionalization. The rapid economic growth of the 1990s contributed to market-led regionalization by encouraging and rewarding liberalization in the terms of trade and investment.
